April 1, 2024

As we return from Easter and Spring Break, I want to take a moment to extend my warmest wishes to each and every one of you. I hope that you had a restful and rejuvenating break, filled with moments of joy and relaxation.

As we embark on the final stretch of the academic year, I encourage all of us to stay focused, motivated, and positive. Remember the impact you have on the lives of our scholars each and every day.
